REMARKS

25X1X

The Schkeuditz (M 52/E 12) airfield, though serviceable, was unoccupied. No Soviet Air Force or Soviet Army soldiers were seen in the town of Schkeuditz. The factories at the southeastern corner of the field were in operation. The flight control station, which seemed to be guarded by a caretaker, was unoccupied. A stone-paved road ran along the northern edge of the sodded landing field.
